my all syllabus complete because my all teachers great

All good subjects with different experience

At the final time of my exams , my syllabus was left ,, it was completed with too much speed ..
Also practicals were not checked of some subjects because of the tours and NAAC visited

Syllabus should be less .

I think everything is good.

Business Maths and Drugs abuse - please remove these subjects

Teachers get less time to complete syllabus because government not provided them time because government use teachers in elections and other activities

That the syllabus is very much or lengthy so some matter should be decreased

syllabus jyada hai thoda ghut howe

Long chapters are given in short ways

the syllabus in context of the time given to complete it is too much it should be reduced to a reasonable extent

Please make ensure that only important topics covered under our syllabus

Some teachers don't listen to students they must listen to students before taking actions

It's nice

Should be completed a bit early

Nice teachers

Some updates must be made

Good teaching

Satisfactory completion

Nothing to say .. everything is going well

Should provide practical knowledge too.....and should conduct intellectual activities

Teachers are understanding

Very good

Communication skill

Everything is good

Nthing

i tell alot of times to my teacher to add me to college whatsapp's groups but they dont do it, because of this most of times i miss the important information

Entire syllabus is helpful

Syllabus doesn't complete on time and teachers take 70 holidays out of 100

ਸਿਲੇਬਸ ਜ਼ਿਆਦਾ ਹੁੰਦਾਸਮੇਂ ਦੀ ਘਾਟ ਕਰਕੇ ਸਿਲੇਬਸ ਪੂਰਾ ਕਰਨ ਵਿੱਚ ਦਿੱਕਤ ਆਉਂਦੀ

Syllabus is concise and uptodate.we are getting study material

Reduced syllabus

Teachers complete the whole syllaabus on time

Time framework of the slyabus during the semester

It's good

Whole syllabus is pretty good but sometimes Maths syllabus is too much which i cannot prepare in exam gap 2 days. Another thing i would like to say that syllabus should be more towards practical work not all about theory..

None

3 months study only then we have exam on 4 month and the result at the end of next sem

No.

Provide books timely in which syllabus are required

Provide teachers for each subject

Everything's going well

Syllabus should have more focus on knowledge rather than focusing on just completion and cramming of it.

Reduce syllabus and add computer knowledge also

No one

Everything is good but it could be better by using technology more to teach the topics that are difficult to understand theoretically.

Teachers should provide counseling towards students carrier related to their subjects and give guides towards competitive exams

The syllabus is great just some minor flaws.

Very good questions

Syllabus reduction

Reduction in syllabus

Due to incomplete lectures.. Time period to complete syllabus of each semester is quite difficult.. and it should not be completed by teachers at given time..

All about great

I didn't want anything regarding to the syllabus

All is good

N.A

Our all syllabus is complete

We want government support

Provide proper lectures to students for their studies and also maintain discipline in class for proper concentration

Teachers complete the syllabus surely

Everything is Perfectf.

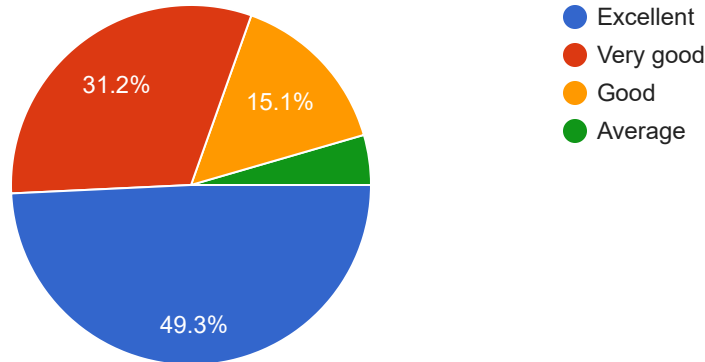

Book portion of English and Punjabi should be increased. More time given for syllabus revision

Teachers should not get irritated on small reasons

Good and well maintained infrastructure, more practicals to get easy grasp on topics covered in syllabus, availability of books in library

Use best method for teaching

Best to best education

More workshop or seminar should be there for extra learning

Not

Respect karna and mil k rehna

s.d college is best don't any problem in college because all the staff members good if any problems in college they solved

Seminar provide and reads the books

N/A

Child water

General cleanliness should be done on regular basis , teachers should talk with lineancy with students , benches of Classes and washrooms should be cleaned

Cool water problem can solve

Regular interaction sessions with students so they can openly discuss their problems faced by them in college

I think no need in develop any kind of faculty because everything is good.

ਸਰਕਾਰ ਨੂੰ ਅਧਿਆਪਕਾਂ ਤੋਂ ਪੜਾਈ ਤੋਂ ਬਿਨਾਂ ਕੋਈ ਕੰਮ ਨਹੀਂ ਲੈਣਾ ਚਾਹੀਦਾ

Stock up the library with latest books.

Providing necessary material only

Overall the college is very good in everything

camp Igway jann har saal

Opne WiFi

ਸਾਨੂੰ ਚਾਹੀਦਾ ਹੈ ਕਿ ਰੋਜ਼ਾਨਾ ਟੀਚਰ ਲੈਕਚਰ ਲਗਾਉਣ ਤਾਂ ਜੋ ਬੱਚਿਆਂ ਦਾ ਭਵਿੱਖ ਬਣ ਸਕੇ, ਅਸੀਂ ਕਾਲਜ ਨੂੰ ਸਾਫ ਸੁਥਰਾ ਅਤੇ ਚੰਗਾ ਬਣਾਇਆ ਜਾਵੇ।

Good rules and regulations apply in college and check the students mind health towards studies

1) the mode of in the class should be english largely so that we can develop confidence in speaking english

2) more use of technology and AI should be done. there should be use of digital boards

3) instead of so many whatsapp groups college should develop a common portal for teachers and students where students can ask doubt and teachers can upload study material and other important notices as well.

so we should make our college a truly 21st century college and should not stick to the conventional mode of study and do something innovative.

Provide mentor like senior,teachers

Provide wifi for every student for their study. Provide sports equipment for each student and organised seminar for students to growth for their career. To provide computer based skill courses for computer science students.

Must listen to students they are the future ones and can give. Good ideas

Have some fun and mind free activities in collage after exams for fresh mind

More lab periods and more interaction with teachers

Updateion is needed

Phycul active

Training programs should be provided to the students every year for their overall development

Training programmes should be organised every year for the overall development for the skills of students

Should provide extra knowledge

Group study

Always activities..function....ncc.. bss camp

Nthing

Syllabus should be well explained and completed.College lectures should have a break in which students. He should be able to eat his food and there should be a lecture for sports as well. Every sport should be kept equal and its practice should be done. The information about each game should be posted on the notice board as to when the intervarsity inter college tournaments are to be held.

i don't say anything about it

In all classes there is an air conditioner

There must be seperate classes for English medium students

Regular classes with compulsory attendance

Group study

Take care of water system

All facilities should be given by the college management specially regarding fee

Focus on students moral development

It's very good college for all degree course

Extra classes to get other knowledge

All time good behaviour for all of us.

Firstly, I would suggest that the behavior of professors should be polite so that i can ask them anything without hesitation.I have faced this type of situation in last couple of months. Secondly, I would suggest that college library should have proper study material available for students .

Growing Tree's More

Everything is good 😊

3 mahine ki jagah 6 mahine study aur next month exam the result declared in 1 and half month after exam and pls refund those student who has been expelled from college

Get a new principal. 😞

Provide classes regularly, provide good environment,

According to my view everything is fine.

To provide teachers for each subject

More teachers with required experience should be hired for post graduation courses such as M.Sc.- Mathematics

Their is not a auditorium

Make girls washroom near the classes

It can be improved by using more technology to teach some particular topics that are difficult to understand theoretically.

Provide them good knowledge

Washroom for girls near the class room

Frequent student councils and student organisations.

Girls common room

Timely completion of syllabus

The syllabus should be completed on time.

Collage ਦੇ ਵਿਚ ਨਾਵੇ ਸਟੂਡੈਂਟ ਲਾਜ਼ੀ ਵਧ ਤੇ ਵਧ ਕੈਂਪਸ ਲਗਾਓ

Providing good education

Nothing else

According to my everything is fine.

N.A

Hard working teachers
Good water resources

Provide career counselor for the students.
