3.	Nishkam Scholarship	25	Non-Government
4.	Aggarwal Mahasabha Scholarship	13	Non-Government

INSITUTION POLICY FOR FREESHIPS AND FEE CONCESSION

This institution was started in 1956 with the sole motive of providing quality education in the backward Malwa belt. The vision of our founder members, Dr. Raghubir Prakash Ji and Pandit Anand Sarup ji was that no student who deserve higher education should be deprived of the same due to lack of resources. This institution has been imparting quality education for the last six decades. The main aim of this institute is of holistic development of students so that they can positively contribute to the progress of the nation.

Objective:

Main thrust of the policy is to achieve the objectives of right to education which is also a fundamental right in Indian Constitution. To cater to the needs of economically weak but meritorious and deserving students, especially from rural background and socially weaker sections including girls. The female students are often deprived of good education either because the parents are not capable or they are not willing to spend money on the education of daughters. So, this practice of providing free education, free books and fee concession to students was started by founder members in early years of inception of this college. Keeping these aspects in mind economically weak students especially girl students are given support by the college. In this way college is working towards women empowerment also.

Procedure:

At the time of admission, poor, needy, meritorious and talented students are asked to submit their applications for fee concession along with their admission forms. These applications are sent to the respective departments for remarks. After the recommendations from respective committees and permission from the Principal, such students are advised to deposit only the university dues at the time of admission. After scrutinizing, the applications are sent to the fee concession committee comprising office bearers of Governing Council and the Principal for decision making and amount of monetary help. The students who apply for fee concession are called along with their parents for a meeting on a fixed date. After that, students' performance is followed. It is checked whether they attend classes properly, and how do they perform in academics. Apart from this, students are also given fee concession on the basis of their outstanding performance in sports, academics and co-curricular activities on the recommendations of the concerned teacher in charge.
