The meeting commenced with welcome of all the members of the IQAC by the Coordinator.

The minutes of previous meeting held on 3<sup>rd</sup> June 2022 were confirmed.

After a long discussion and deliberation on different issues placed by the members following decisions were taken: -

1. The house was of the view since our college is first choice of students in this belt of Malwa not only for academics but for cultural and sports activities/facilities also. College had the tradition of participation in maximum number of events with one of the largest contingent in Zonal Youth Festival. Most of the time college remained overall winner owing to the hard work of students and dedication of staff. Thus, in this session also keeping the tradition alive staff should motivate the students to participate in large number and large items, so that a grand participation of students be ensured in Zonal Youth Festival to be held at Rampura Phul from 7-10-22 to 10-10-22 and Inter Zonal Youth Festival at Punjabi University Patiala from 10-11-22 to 13-11-22. The house suggested liberal financial support for the same including refreshment to students both for rehearsals and performance.

2. The house was very enthusiastic regarding the campaign of Punjab government to shun the youth of Punjab away from the menace of drugs by organizing sports events starting from village level to state level under the banner "Khedan Watan Punjab Dian". The house felt that our institution should also cooperate and support this campaign by organizing State Level Netball Tournament.
3. The house felt concerned over the spread of dengue and other illness during the month of September and October every year. The house suggested that municipality be requested to do fogging of pesticide every week. Moreover, college should organize a blood donation camp so that patients may get blood and plasma at ease during hospitalization.
4. The house advised that more faculty members should go in for research degree. Moreover, they should write research papers, research books and got the research papers published in UGC approved research journals.
5. The matter regarding non release of enhanced grant by govt. for those ten grant-in-aid posts which were confirmed during the last three years was discussed at length. The house felt that it was badly affecting the finances of the college. It was decided that matter regarding the release of this grant be taken up with O/o DPI Colleges Punjab, so that grant may be got released at the earliest.

There being no other matter, meeting ended with vote of thanks to the chair.
