Safety and Security

We have a special arrangement of proctorial duties in which female staff members along with male staff members are assigned the duty to provide a safe and secure environment to girls. We have appointed mentors who also take care of the problems of students especially girl students. No outsider is allowed to enter our college as the entry in college is allowed only with ID cards. We have a 'Women Welfare and Anti-Sexual Harassment Cell' comprising female teachers, with whom girl students can discuss their problems. The contact numbers of these teachers are given in the prospectus, displayed at various important points of the college and also on college website.

Our institute has a zero-tolerance policy against ragging. To make our campus safe and secure for girls, we have installed CCTV cameras at different points. Security guards are also deployed at different places to maintain discipline.

2. **Counselling:** We have different committees of staff members like the 'Student Counselling Cell' and 'Career Guidance Cell' to guide girls for their career and help even in their family problems.

3. **Common room:** We have a separate common room with attached washrooms for girls. We have a special open area for girls where they can sit, study and spend their free time. Boys are not allowed to enter that specific area.
