Action taken by the college authorities

Suggestions from the students were discussed in a meeting attended by members of Student welfare cell, Women welfare and sexual harassment cell, Student grievance redressal cell, IQAC Coordinator and Principal of SD College. Following suggestions were given:

1. Managing committee of the college supports the students financially by giving fee concession. Students are advised to apply for different scholarships provided by the government and non government organisations. Teachers also help students by providing books as well as monetary support.
2. In this session various events like science fest, invited lectures, debate, poetry recitation etc were conducted and will be organised for the students in coming session also.
3. Educational as well as recreational trips were arranged for the students in 2023-24. From next session more trips will be arranged for all the classes.
4. The classrooms are cleaned regularly. More efforts will be done to maintain it.
5. Training and placement cell as well as career guidance cell are working hard to organize job fairs and seminars for the placement of students.
6. Teachers of all the departments are advised to take extra classes and regular class tests especially for the weak students.
7. To give practical knowledge to students more workshops will be planned for the students
8. Regarding books, suggestion was passed on to the librarian and library is stocked with new books.
9. Regarding common place for boys and girls, students are allowed to sit in ground and canteen area in the free periods. However, members suggested that ours is a co educational institute where girls and boys study together in class but we have different common rooms for boys and girls for safety and security of girls.
10. Administrative staff members are instructed to be more polite and helpful to students.
11. Teachers of all the departments are advised to use more ICT tools and finish the syllabi in time.
12. It was discussed that the water coolers are available throughout the campus however additional water cooler will be installed.
13. Five more washrooms for girls have been constructed near girl's common room.
